### A PROGRESSIVE REPORT FOR THE MONTH OF JANUARY 2013

31/ 01/ 2013

#### **Elections**

ACORN Kenya resumed its business on 2<sup>nd</sup> January 2013 where we had our first meeting to plan and strategize on the role of the organization in this electioneering year.

The main focus of the community and the entire nation was on the election primaries which took place on 17<sup>th</sup> January where by all political parties elected and nominated candidates for various elective posts. These primaries were marked by voter cheating and violence in some areas.

ACORN Members managed to rally behind one of our allies locally referred to as Uncle. He was elected as a ward representative for Korogocho on The Nation Alliance Party (TNA) this is one of the major parties in the Jubilee Alliance.
